

For Distribution to Brokers/Wholesalers/Administrators Only

May 20, 2003

New BlueChoice Group Application

Market: MSGR

This is to make you aware that there is a new CareFirst BlueChoice (BlueChoice) group application. The application is available on our web site at www.carefirst.com, "For Brokers" section under Applications and Forms. A copy of the new form is attached for your reference.

Please start using the new form immediately and discard any copies of the old form you may have on hand. (Note: the new form must be used no later than for July 1, 2003 effective dates.) The refiling of this Group Application eliminates the need for the "POS Waiver Form" used in the past.

If you have any questions please contact your Broker Sales Representative.

Shekar Subramaniam
Director, Broker Sales
