**FROM: CareFirst of Maryland, Inc. – Medicare Part A**  
**DATE: August 11, 2003**  
**SUBJECT: The Supplemental Security Income (SSI)/Medicare Beneficiary Data for Fiscal Year 2002 for Inpatient Prospective Payment System (IPPS) Hospitals**

## **GENERAL INFORMATION**

**A. Background:** This bulletin provides updated data for determining additional payment amounts for hospitals with a disproportionate share of low-income patients. The SSI/Medicare beneficiary data for IPPS is available electronically and contains the name of the hospital, provider number, SSI days, covered Medicare days, and the ratio of Medicare Part A patient days attributable to SSI recipients. The file is located at the following CMS Web address:

<http://www.cms.hhs.gov/providers/hipps/dsh.asp>

The data is used for settlement purposes for hospitals with cost reporting periods beginning during FY 2002 (cost reporting periods beginning on or after October 1, 2001 and before October 1, 2002).

**B. Policy:** Section 9105 of The Consolidated Omnibus Reconciliation Act of 1985 (COBRA) provides additional payment amounts for hospitals with a disproportionate share of low income patients. This is done by making adjustments to the prospective payment rate.

The effective date and implementation date for this bulletin is October 1, 2003.
