The following are the annual updates to the ICD-9 coding system for diagnoses applicable to the existing Local Medical Review Policies. The changes to the ICD-9 codes were published in Program Memorandum AB 02-085, Change Request 2194. These codes have been posted on the CMS website for providers. The address is <http://www.cms.hhs.gov/medlearn/icd9code.asp>. Providers may start to use the revised/new ICD-9 codes for claims submitted on or after October 1, 2002. The effective and implementation date is October 1, 2002. Facilities should make sure that a copy of the ICD-9 annual update is provided to their director of medical records.
