

# BlueDental Plus

*Includes access to a national provider network*

CareFirst BlueCross BlueShield (CareFirst) offers BlueDental Plus coverage, which allows you the freedom to see any dentist you choose.

## Advantages of the plan

- **Freedom of choice, freedom to save**—With BlueDental Plus, you can see any dentist you choose. However, this plan also gives you the option to reduce your out-of-pocket expenses by visiting a dentist who participates in our Preferred Provider Network. It's your choice!
- **Comprehensive coverage**—Benefits include regular preventive care, X-rays, dental surgery and more. Your plan even covers orthodontia for members of all ages! A summary of your benefits is available on the following page.
- **Nationwide access to participating dentists**—You have access to one of the nation's largest dental networks, with participating dentists throughout the United States. BlueDental Plus gives you coverage for the dental services you need, whenever and wherever you need them.

## Three options for care

- **Option 1**—By choosing a dentist in the Preferred Provider Network, you incur the lowest out-of-pocket costs. These dentists accept CareFirst's allowed benefit as payment in full, which means no balance billing for you. You are responsible for deductibles and coinsurance, and also have the convenience of your provider being reimbursed directly.
- **Option 2**—By choosing a dentist who participates with CareFirst, but not through the Preferred Provider Network, you incur slightly higher out-of-pocket costs. Similar to Option 1, there is no balance billing. You are responsible for deductibles and coinsurance, and also have the convenience of your provider being reimbursed directly.
- **Option 3**—You can receive out-of-network coverage from a dentist who has no relationship with CareFirst. With this option, you may experience higher out-of-pocket costs since you pay your provider directly. You can be balance billed and must pay your deductible and coinsurance as well.
