

00:00

You don't know me,

00:01

probably never will.

00:03

But I need you to do something for me.

00:04

Something that could literally...

00:06

...change everything.

00:07

You'll never get a thank you card.

00:09

And yet,

00:10

I need you to do it.

00:12

And if that weren't enough,

00:13

I need you to do it as soon

00:15

as you are able to.

00:16

If you do this for me,

00:17

I'll do it for you.

00:18

And for every single person you love.

00:20

Deal?

00:21

This is our shot to leave COVID behind.
