Preferred Dental Summary of Benefits

Advantages of the plan

- Most plans cover 100% of preventive and diagnostic services
- No claim forms or paperwork to fill out when a member sees a participating dentist
- We coordinate benefits for members with dental coverage from another carrier
- Take advantage of a large, growing regional and national network.

Our plans

With Preferred Dental, you'll save the most money by seeing a participating provider.

What's a participating provider?

It's a dentist or specialist who is in our network and accepts our reduced negotiated fees as payment in full. This means no balance for you to pay, keeping your out-of-pocket costs low.

- **Option 1**—By choosing a dentist in the Preferred Provider Network, you pay the lowest out-of-pocket costs. These dentists accept CareFirst's allowed benefit as payment in full. You're only responsible for deductibles and coinsurance. And for your convenience, your provider is reimbursed directly.
- **Option 2**—You can receive out-of-network coverage from a dentist who participates with CareFirst, but not through the Preferred Provider Network. Similar to Option 1, there is no balance billing. You are responsible for out-of-network deductibles and coinsurance, and also have the convenience of your provider being reimbursed directly.
- **Option 3**—You can receive out-of-network coverage from a dentist who has no relationship with CareFirst. With this option, you may experience higher out-of-pocket costs since you pay your provider directly. You can be balance billed and must pay your deductible and coinsurance as well.
