Note: CareFirst member cost is the fee that participating providers in the network have agreed to accept for a particular service. The participating provider cannot charge the member more than this amount for any covered service. Example: Dr. Carson charges \$100 to see a sick patient. To be part of CareFirst's network, he has agreed to accept \$50 for the visit. The member will pay their copay/coinsurance and deductible (if applicable) and CareFirst will pay the remaining amount up to \$50.

\* No copayment or coinsurance.

- <sup>1</sup> When multiple services are rendered on the same day by more than one provider, Member payments are required for each provider.
- <sup>2</sup> For family coverage only: When one family member meets the individual deductible, they can start receiving benefits. Each family member cannot contribute more than the individual deductible amount. The family deductible must be met before the remaining family members can start receiving benefits.
- <sup>3</sup> For Family coverage only: When one family member meets the individual out-of-pocket maximum, their services will be covered at 100% up to the Allowed Benefit. Each family member cannot contribute more than the individual out-of-pocket maximum amount. The family out-of-pocket maximum must be met before the services for all remaining family members will be covered at 100% up to the Allowed Benefit.
- <sup>4</sup> Plan has an integrated medical and prescription drug out-of-pocket maximum.
- <sup>5</sup> Members accessing laboratory services inside the CareFirst service area (Maryland, Washington, D.C. and Northern Virginia) must use LabCorp as their Lab Test facility and non-hospital/freestanding facility for X-rays and specialty imaging.
- <sup>6</sup> There are no limits for children under age 21 when Physical, Speech or Occupational Therapy is included as part of Habilitative Services.
- <sup>7</sup> Members who are unable to conceive have coverage for the evaluation of infertility services performed to confirm an infertility diagnosis. Assisted Reproductive Technologies ("ART") are also sometimes referred to as Advanced Reproductive Technologies. Coverage under the policy includes benefits for In Vitro Fertilization and other forms of ART.
