Section 1–Introduction

This directory provides a list of CareFirst BlueCross BlueShield Group Advantage local network hearing providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

We have hearing network providers for all hearing services covered under original Medicare as well as additional hearing services (for example: routine hearing exams, fitting and evaluation of hearing aids visits, etc.). You will find more information about plan payments and cost sharing in your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with hearing services.

You may go to any of our hearing network providers listed in this directory. CareFirst BlueCross BlueShield Group Advantage members can see any CareFirst BlueCross BlueShield Group Advantage contracted hearing providers and receive services at the in-network level of benefits.

Out-of-network providers are under no obligation to treat CareFirst BlueCross BlueShield Group Advantage PPO enrollees.

If you have any questions about whether we will pay for any types of hearing exams or hearing aids that you are considering, you have the right to ask us whether we will cover it before you get the service or care. Please contact our Member Service Department at 1-833-320-2664, 8 a.m.–6 p.m., ET, Monday through Friday TTY users should call 711. You may also refer to your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

The out-of-network provider should bill CareFirst and should not bill you. Should a provider bill you please contact us to find out how to submit the bill to us for payment. Once we receive the itemized bill, we can process it and determine what your cost share will be.

You are covered both in and out of our network for all hearing benefits, as long as you are treated by a provider who participates in Medicare.

For most of our PPO plans there is no difference in cost whether you see a network or out-of-network hearing providers. Please review your EOC to validate your cost shares for out-of-network hearing providers.
