BlueVision Plus Summary of Benefits

How the plan works

National network

BlueVision Plus offers a national network of optometrist, ophthalmologist and opticians. This includes private practices, retailers, and online retailers such as Visionworks, Walmart, Costco, Warby Parker, Lenscrafters, MyEyeDr and America's Best.

How do I find a provider?

To find a provider, go to carefirst.com and use the Find a Provider feature or call Davis Vision for a list of network providers closest to you at 800-783-5602.

Be sure to ask your provider if they participate with the Davis Vision network before receiving care.

How do I receive care from a network provider?

Call your provider and schedule an appointment. Identify yourself as a CareFirst BlueVision Plus member and provide the doctor with your identification number, as well as your date of birth. Then go to your appointment and receive care. There are no claim forms to file.

What if I go out-of-network?

Staying in-network gives you the best benefit, but BlueVision Plus does offer some out-of-network coverage. However, you will be responsible for all

payments upfront and need to file a claim with Davis Vision for reimbursement. You must also pay any balances over the allowed benefit to the non-participating provider. Find the claim form at carefirst.com: locate *For Members*, then click on *Forms, Vision, Davis Vision*.

Can I get contacts and eyeglasses in the same benefit period?

No. BlueVision Plus covers one pair of eyeglasses OR a supply of contact lenses per benefit period.

When do I get my ID card?

Member ID cards are mailed to your home after enrollment. You can also access your member ID card—along with other claims and benefit information—at My Account or on the CareFirst mobile app. Visit carefirst.com/myaccount to register.
