

CareFirst WellBeing

Putting the power of health in your hands

We're pleased to introduce CareFirst WellBeingSM—your personalized digital connection to your healthiest life. Catering to your unique health and wellness goals, CareFirst WellBeing offers motivating digital resources accessible anytime, plus specialized programs for extra support.

Ready to take charge of your health?

Find out if your healthy habits are truly making an impact by taking the RealAge[®] health assessment! In just a few minutes, RealAge will help you determine the physical age of your body compared to your calendar age. You'll discover the lifestyle behaviors helping you stay younger or making you age faster and receive insightful recommendations based on your results.

Exclusive features

Our well-being program is full of resources and tools that reflect your own preferences and interests. You get:

- **Trackers:** Connect your wearable devices or enter your own data to monitor daily habits like sleep, steps, nutrition and more.
- **A personalized health timeline:** Receive content and programs tailored to you.
- **Challenges:** Stay motivated by joining a challenge to make achieving your health goals more entertaining.
- **Inspirations:** Break free from stress, unwind at the end of the day or ease into a restful night of sleep with meditation, streaming music and videos.

Download the mobile app to access well-being tools and resources whenever and wherever you want.

Specialized programs

The following programs can help you focus on specific wellness goals. For more information about any of these programs, please call well-being support at 877-260-3253.

Health coaching

Coaches are registered nurses and trained professionals who provide one-on-one support to help you reach your wellness goals. If you are interested in health coaching or are contacted, we encourage you to take advantage of this voluntary and confidential program that can help you achieve your best possible health.

Weight management program

Improve your overall health, reach a healthier weight and reduce your risk for pre-diabetes and associated chronic diseases.

Tobacco cessation program

Quitting smoking and other forms of tobacco can lower your risk for many serious conditions from heart disease and stroke to lung cancer. Our program's expert guidance, support and online tools make quitting easier than you might think.

Financial well-being program

Learn how to take small steps toward big improvements in your financial situation. Whether you want to stop living paycheck to paycheck, get out of debt, or send a child to college, our financial well-being program can help.
