

BlueCard® & Global Core

Wherever you go, your health care coverage goes with you

With your Blue Cross and Blue Shield member ID card, you have access to doctors and hospitals almost anywhere. BlueCard gives you the peace of mind that you'll always have the care you need when you're away from home, from coast to coast. And with Blue Cross Blue Shield Global Core (Global Core) you have access to care outside of the U.S.

As always, go directly to the nearest hospital in an emergency.

Your membership gives you a world of choices. More than 93% of all doctors and hospitals throughout the U.S. contract with Blue Cross and Blue Shield plans. Whether you need care here in the United States or abroad, you'll have access to health care in more than 190 countries.

When you're outside of the CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. service area (Maryland, Washington, D.C., and Northern Virginia), you'll have access to the local Blue Cross Blue Shield Plan and their negotiated rates with doctors and hospitals in that area. You shouldn't have to pay any amount above these negotiated rates. Also, you shouldn't have to complete a claim form or pay up front for your health care services, except for those out-of-pocket expenses (like non-covered services, deductibles, copayments, and coinsurance) that you'd pay anyway.

Within the U.S.

1. Always carry your current member ID card for easy reference and access to service.
2. To find names and addresses of nearby doctors and hospitals, visit www.carefirst.com/doctor, or call BlueCard Access at 800-810-2583.
3. Call Member Services for pre-certification or prior authorization, if necessary. Refer to the phone number on your ID card because it's different from the BlueCard Access number listed in Step 2.
4. When you arrive at the participating doctor's office or hospital, simply present your ID card.
5. After you receive care, you shouldn't have to complete any claim forms or have to pay up front for medical services other than the usual out-of-pocket expenses. CareFirst will send you a complete explanation of benefits.

Around the world

Like your passport, you should always carry your ID card when you travel or live outside the U.S. The Global Core program provides medical assistance services and access to doctors, hospitals and other health care professionals around the world. Follow the same process as if you were in the U.S. with the following exceptions:

- At hospitals in the Global Core network, you shouldn't have to pay up front for inpatient care, in most cases. You're responsible for the usual out-of-pocket expenses. And, the hospital should submit your claim.
- At hospitals outside the Global Core network, you pay the doctor or hospital for inpatient care, outpatient hospital care, and other medical services. Then, complete an international claim form and send it to the Global Core Service Center. The claim form is available online at www.bcbsglobalcore.com.
- To find a provider outside of the U.S. visit www.bcbs.com and select *Find a Doctor*.

Members of Maryland Small Group Reform (MSGR) groups have access to emergency coverage only outside of the U.S.

Medical assistance when outside the U.S.

Call 800-810-2583 24 hours a day, 7 days a week for information on doctors, hospitals, other health care professionals or to receive medical assistance services. A medical assistance coordinator, in conjunction with a medical professional, will make an appointment with a doctor or arrange hospitalization if necessary.
