

Medical Drugs Requiring Prior Authorization as of 1/1/26

Prior authorization requests for the medications listed below can be completed online through the [CareFirst Provider Portal](#).

How to request prior authorization

Providers may submit a prior authorization online by logging in to the [Provider Portal](#) and navigating to the Prior Auth/Notifications tab. Training resources for entering prior authorizations are available on our [Learning and Engagement Center](#) or access our [Medication Prior Authorization](#) course.

CareFirst BlueCross BlueShield Medicare Advantage DualPrime may add or remove drugs from its medical drug prior authorization list at any time to encourage utilization of clinically appropriate and lower net cost products or to comply with state guidance.
