| Important Questions | Answers | Why This Matters: |
|---|---|--|
| What is the overall deductible? | In-Network: \$2,800 individual/\$5,600 family; Out-of-Network: \$6,000 individual/\$12,000 family | Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay. If you have other family member(s) on the plan , each family member may need to meet their own individual deductible , OR all family members may combine to meet the overall family deductible before the plan begins to pay, depending upon plan coverage. Please refer to your contract for further details. |
| Are there services covered before you meet your deductible? | Yes, all In-Network preventive care services. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | There are no other specific deductibles. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan? | Medical: In-Network: \$5,500 individual/\$11,000 family; Out-of-Network: \$12,000 individual/\$24,000 family. | The out-of-pocket limit is the most you could pay in a plan year for covered services. If you have other family member(s) on the plan , each family member may need to meet their own out-of-pocket limits , OR all family members may combine to meet the overall family out-of-pocket limit , depending upon plan coverage. Please refer to your contract for further details. |
| What is not included in the out-of-pocket limit? | Premiums, balance-billed charges, and health care this plan does not cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider? | Yes. See www.carefirst.com or call 855-258-6518 for a list of Network providers. | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist? | No. | You can see the specialist you choose without a referral . |
