

How to Save and View HSA Receipts

The IRS requires that any money withdrawn from a BlueFund account must have documentation (like a receipt) to prove the funds were used to pay for an eligible medical expense. This page explores the information required in the documentation and how you can easily save it for future reference.

What information is required on receipts?

All receipts should indicate:

- Service received or product purchased
- Name of the provider/merchant
- Amount paid
- Date of service or sale

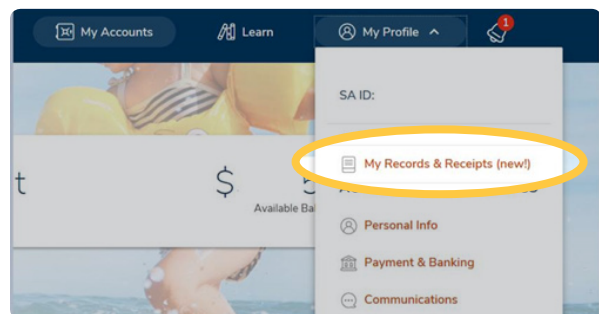

How long should I keep receipts?

Generally, you should hold onto receipts for as long as you maintain the account in the event of an IRS audit. The receipts will prove withdrawals from the account were for eligible medical expenses. If you withdraw money from an HSA for non-eligible expenses, you are subject to paying taxes on the withdrawal and a 20 percent penalty fee.

How do I manage receipts online?

Keep all your health care receipts in one place with *My Records and Receipts*:

1. Visit carefirst.com/myaccount.
2. Sign on and access the *BlueFund Administration* link.
3. Click on *My Profile*.
4. Go to *My Records and Receipts*.

What are other examples of documentation?

Additional documentation that may be requested includes:

- Valid prescriptions
- Letters of medical necessity
- Explanation of benefits (EOB)
Here you'll see an overview about *My Records and Receipts* if you haven't saved any files. If you have, you'll find all your files listed. If you have files that have not been associated with a claim, you'll also see the total amounts of unsubmitted expenses.

Uploading a file

Ensure that the record you want to upload is available on your device.

1. At the top of the *My Records and Receipts* screen, click *Upload*.
Note: If you have not previously uploaded any files, you'll see a different screen and should click *Get Started*.
2. Click *Upload Attachments*.
3. Browse and select the document you want.
4. Click *Next*.
Note: If you selected the wrong document, click the trash can icon next to it to remove it.
5. Enter information to help you remember details about this expense in the future.
6. Select a Category. This identifies the nature of the expense and is required. Most records and receipts fall under the *Medical* category.
7. Click *Save*.

Your uploaded document will then appear on your *My Records and Receipts* home page.

Reviewing submitted files

Under the *Submitted* heading, you can find all records and receipts associated with a reimbursement request or a payment. Here you can:

- Use the buttons at the top of the section to filter the list by timeframe or category.
- Click *See Details* to review a file or to download and save it to your computer or storage drive.

Reviewing unsubmitted files

If you have saved files that are not associated with a reimbursement request or payment, you will see them under the *Unsubmitted* heading at the top of the page. Here you can:

- Use the buttons at the top of the section to filter the list by timeframe or category.
- Initiate a new reimbursement by clicking *Options* and choosing *Get Reimbursed*.
- Pay a provider (if this feature is part of your plan) by clicking *Options* and choosing *Pay a Provider*.
- Associate this file with a previous reimbursement request or payment by clicking *Options* and choosing *Match to Transaction*.
- Edit or delete the file from the *Options* menu.
