

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** Please read the [FEHB Plan brochure RI 73-718](#) that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the [FEHB Plan brochure](#).** Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. You can get the [FEHB Plan brochure](#) at [www.carefirst.com/fedhmo](http://www.carefirst.com/fedhmo), and view the Glossary at [www.carefirst.com/fedhmo](http://www.carefirst.com/fedhmo). Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p>In-Network                      \$1,600 self only                      \$3,200 self plus one                      \$3,200 self and family                      Out-of-Network                      \$3,200 self only                      \$6,400 self plus one                      \$6,400 self and family</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. Copayments and coinsurance amounts do not count toward your <a href="#">deductible</a>, which generally starts over January 1. When a covered service/supply is subject to a <a href="#">deductible</a>, only the Plan allowance for the service/supply counts toward the <a href="#">deductible</a>.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes, all In-Network preventive care services.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. "For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>Yes. Prescription Drug <a href="#">deductible</a> is combined with Medical. There are no other specific <a href="#">deductibles</a>.</p>	<p>You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.</p>
